

Parent/Guardian and Girl Agreement for Trips

I, _____ the parent/guardian of _____, a registered Girl Scout of Girl Scouts of Southern Illinois, do hereby give my permission for her/I to attend the Girl Scout trip. I agree that she/we will only attend if in good physical condition and have been instructed in proper behavior. She/we agree to be respectful of everyone during this trip and to abide by all rules as defined by the Troop Trip Agreement and her Troop Leader and chaperones and to be a good ambassador for the Girl Scout Program.

We understand that there will be no drinking, smoking, or other illegal behavior while on this trip and potential further consequences. We further agree and understand that should our behavior warrant removal from the trip, we will be sent home at our expense. I understand that it is at the discretion of the Troop Leader to determine behavior warranting our being sent home.

We understand that all equipment (including hotel room) provided for my use should be handled with care. We understand that we will be assessed for damages to any equipment in the event that my use of such equipment is negligent or abusive.

We understand that all medications, including but not limited to Tylenol and Benadryl, will remain in the possession of the Troop First Aider at all times. My daughter will not be given any medications without my written approval. Any prescription medications will be given to the Troop First Aider to be administered according to the package directions.

We have also discussed and agreed to stay with the group the entire time as no girl is allowed to be on her own at any time. We understand that there will be consequences if group rules are not followed.

I hereby agree to accept financial responsibility for a non-refundable deposit, if applicable.

I understand that the troop will be responsible for providing all meals, transportation and admission fees while on this trip and that if my daughter brings spending money for souvenirs, the troop is not responsible for this money.

I hereby agree that if my daughter chooses not to attend this trip for a non-emergent reason, that I will be responsible for reimbursing the troop for the cost of airfare. The non-refundable deposit may be applied to this amount.

I understand that, aside from the above-mentioned deposit, this trip will be paid for from girl earned troop funds. If the troop is unable to raise sufficient funds for the trip, parents may be asked to assist with payment or the trip may be postponed.
