

Leader In Training (LIT) Workshop Packet

A Leader in Training (L.I.T.) is a Girl Scout 14-17 who has **completed the 9th grade or above**, wants to work with girls in **a troop/group setting**, and who has completed the L.I.T. Workshop packet. An L.I.T. will acquire the skills and confidence necessary to guide a group of younger girls and hold future leadership positions both inside and outside of Girl Scouting. A L.I.T. works with a leader in a younger Girl Scout troop.

L.I.T training is now offered in a take home packet available by filling out the form below and returning it Emily Stanley. Completion of this packet, which focuses on how to work together with leaders and co leaders, how to speak in public, how to work with a diverse group of girls, and some activities to lead with your troop, will earn you the LIT pin.

To earn the L.I.T. patch, a girl will select the age group/program level (Daisy, Brownie, or Junior) with which she would like to work with. The girl must observe this age group for approximately 3-5 hours as they participate in their group. The girl will then fill out the Troop/Group Observation Inventory. The girl then needs to seek out a leader and troop in that same age level to work with. It can be the same troop she has observed, but does not have to be. An agreement is then made between the girl and adult leader. The Adult Agreement Form **must** be signed by both the girl and the adult. This form, along with the Troop/Group Observation form **must** be turned in to Emily before the girl actually begins leadership service hours with the troop/group. The girl then must work with the troop/group on an ongoing basis and commit at least 25 hours of leadership service. These hours may be spread out over several months.
