The following method may be used to account for attendance and dues: [A/D]; in part (record actual amount paid); or not at all. When, in the case of non-payment or partial payment, the balance is paid, a "D" may be used to cover the amount already recorded. At the end of the month, a vertical line may be drawn in red. This record is the property of the Troop to which the record applies and therefore should be transferred from one leader to another as the leadership of the Troop changes.
