Tips & Tricks

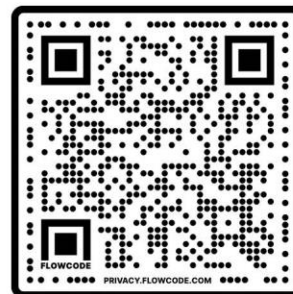

- Every time you give out cookies to a troop, write a receipt and enter it into eBudde. With all receipts entered and digital cookie sales in the girl tab, you will easily see what the balance is to the troop.
 - Electronic Receipt Link:

- Booths must be entered into eBudde for approval from your SU Cookie Manager.
- To keep track of booth inventory while at a booth, use this booth inventory sheet:

- Don't forget to enter your booth sales in eBudde after your booth is complete. Giving credit out under the booth to girls, will count towards their booth sales patch!
 - For a girl to earn the booth sales patch, they must sell 30 packages through a booth(s).
 - Credit must be given under the booth sales tab.
