Crumbs of Knowledge

Unpaid Balances

The council should be notified immediately of unpaid balances for girls or caregivers. This gives the council time to resolve the balance before the final ACH sweep.

Girl/Caregiver Unpaid Balances Form should be submitted to the council no later than the specified date provided by the product program. This form can be accessed by scanning the QR code or visiting: <https://forms.gsfsi.org/gs/unpaid-cookie-balance>.

Service Units and troops are responsible for all money due from their product sales and will be held liable for the funds owing if the following documents are not collected from the Troop/Caregiver.

- Signed receipts for products issued by the troop.
- Signed receipts for money received from the caregiver.
- Any other communication records between the troop and caregiver.

This form can be filled out anytime throughout the program, if you are having difficulty collecting from a caregiver. However, forms are due no later than March 11. Do not give out more cookies if you cannot collect money from previous checkout.

Troop Final Reward

Each selling Girl Scout and up to 2 volunteers can earn the Do-Si-Do panda t-shirt if the troop's final PGA is 225 or more.

Booth Sales Patch

Girl Scouts who sell 30 or more booth packages sold throughout the Cookie Program, will earn the booth sales patch.

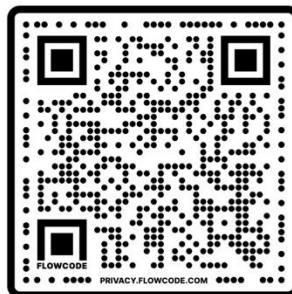

Can be earned from one single booth or multiple booths combined.
