

A Special Invitation for Your Group

STOMP

Friday, March 6th, 2026

On behalf of the [**Fox Performing Arts Charitable Foundation**](#) and the [**Fabulous Fox Theatre**](#), we invite you to stay after the performance of **STOMP** on [Friday, March 6th](#), for our [**Educational Encore**](#).

Educational Encores allow young people to interact with touring Broadway cast and crew members to enhance their live theatre experiences. Please Note: To participate, show tickets for this specific performance are required for each guest. We ask that the Group Leader complete the [**RESERVATION FORM**](#) to be included in the post-show Cast and Crew Q&A.

A portion of the form will ask you to include up to three student-led questions to be considered for the Q&A. If a question from your submission is selected, we will email you before the show date with further instructions.

The Education Encore's post-show Q&A begins approximately 10 minutes after the performance and is 20 minutes in length. We ask our participating groups to wait in their ticketed seats until the theatre clears after the show (approximately five minutes). Participants are then welcomed to move to the Orchestra front and center sections. Staff will be on hand to direct you. Please fill in all seats.

The total anticipated time to participate in the Educational Encore is 35 minutes.

We hope to see you there!

A Special thank you to the Fox Performing Arts Charitable Foundation for sponsoring our Educational Encores at the Fabulous Fox Theatre.
