# User Dashboard

## My Rallyhood Dashboard

 View Demo

When you log into Rallyhood, you will see your Dashboard — also known as **My Rallyhood**.

Your **My Rallyhood Dashboard** is where all of your groups and their respective Hubs and Rallies come together in one place, making it easy to find the information relevant to you.

The **My Rallyhood Dashboard** is a personalized experience for every user. Each tile represents a Hub or Rally that you have been invited to or opted to join.

Each tile will display either the “**Hub**” icon or the “**Rally**” icon to give users an indication of what they will find when they click on the tile.

The **My Rallyhood Dashboard** can be customized by dragging and dropping Hubs and Rallies into an order to prioritize them in a way that suits individual needs.

## My Rallyhood Dashboard

 View Demo

At the top right of the Dashboard is **“Search Rallies.”**

- In this field, users can type in a keyword to search for Hubs and Rallies across the entire Rallyhood platform.
- Hubs and Rallies that are set to “Public” or “Private,” will show in the search results.
- However, if a Hub or Rally is set as “Unlisted,” it will not appear in the search results. In this case, a user would have to be explicitly invited by an Admin to join.

When the search results populate, users can look for the **“Hub”** icon and **“Rally”** icon in the bottom left corner to help with identification. The tiles will also have one of the following icons in the top right corner to aid with identification:

-  Indicates that the Hub or Rally is Private
-  Indicates that the Hub or Rally is Public
-  Indicates that the user is a member of the Hub or Rally

Note that by clicking the **“Rallyhood Logo”** anywhere in the Rallyhood platform, you will return to **My Rallyhood Dashboard**.
